## **BUSINESS BODIES** FAVOR MERGER TO INCREASE POWER

Board of Trade and Chamber of Commerce Expect to Unite.

#### LEADERS IN EACH ASSOCIATION EAGER

Would Save Double Expense of Rent and Duplication of Effort.

The search for new and adequate quarters for the Chamber of Commerce may bring about consolidation between the Chamber and the Board of Trade into one large, representative, business, and civic organization with attendant elimination of duplication of effort and expense to the business and professional men, who are now members of both. "Let us hope for consolidation," said

Capt. James F. Oyster, president of the Chamber of Commerce, at the meeting of the board of directors last night. There should be but one representa tive organization," said William F. Gude, former president of the Chamber, at the same meeting.

No Dissent to Plan.

There was no dissenting voice to the suggestion that the two organizations get together. Its need became evident when E. C. Graham, a member of the house committee, reported that his committee was making progress in the search for better quarters, and showed the difficulty in finding them at a price which the committee believed the Chamber should pay. In this respect it was pointed out that through the existence of two organizations a full duplication of expense is incurred in this item alone

Need for united action through one organization became evident again in the discussion of plans for bringing about closer relations with members of Congress, so that the needs of the District might become more intimately known to the national legislators.

Inasmuch, as the Board of Trade had already appointed a committee to tender a reception to members of Congress, the directors of the Chamber appointed a committee upon motion of E. H. Daniel to look into a similar program or some united action,

Washington Memorial Fund.

A variety of other matters were disposed of at the meeting last night. The directors appropriated \$180 for the use of the conventions committee in its work of soliciting subscriptions for the proposed George Washington Memorial Convention Hall. Granville M. Hunt chairman of the committee, asked for that amount to cover the expenses of the next six weeks. It was given to him without opposition.

No opposition arose to the proposition of John L. Martin, a former Washing ton newspaper man, that he be granted a live-years' franchise for publication of a monthly official organ of the Cham ber of Commerce. Mr. Martin proposes to get out the first issue by May 15.

Fifty dollars was appropriated for a prize for the Washington Horse Show Inebriate Hospital.

A. Leftwich Sinclair, chairman of the committee on law and legislation, reported that the committee would meet on Saturday afternoon at 3:30 o'clock and dispose of the question of a charter for the Chamber. At the suggestion of Isaac Gans this committee was also directed to look into the advisability of recommending the establishment of an inebriate hospital

#### Masters and Craftsmen Plan to Play Benefits

Larger benefits will be paid to members of the National Association of Masters and Craftsmen of the District. Provision is made in new by-laws adopted at the annual meeting last night at the Builders' Exchange.

A new name, the Association of Masters and Craftsmen of the District of Columbia, to include members from nearby States, is another innovation. Joseph H. Annin is the new presi-dent of the association. Other officers elected are: A. E. Payne, first vice president; H. Clinton Smith, second vice president; Thomas Hughes, treasurer, president; Thomas Highes, treasurer, and Benjamin T. Pillow, secretary.

The following, representing each trade, were named on the board of governors: G. M. Baxley, John R. Galloway, Charles R. Grier, E. O. Pillow, E. J. Febrey, R. H. Blankenbaker, Robery Boyce, Thomas H. Melton, Charles A. Langley, Thomas E. Landon, Charles A. Langley, Thomas E. Landon, Groumpf, and Thompason

#### Man Hit by Car Has a Chance for Recovery

The next meeting of the association will be held May 3.

Although he is still in a critical condition, physicians at the Emergency Hospital said this morning that John L King, a retired machinist of the navy, who was struck by a Capital Traction car at Pennsylvania avenue and Sixth street northwest last night, has a chance

for recovery. Picked up in an unconscious condition, King was hurried to the hospital in an King was hurried to the hospital in an automobile. The doctors found the man's skull had been fractured, and it was necessary to perform an operation to relieve the pressure on his brain-King rallied from the operation, and this morning a slight change for the better was noted in his condition.

King, who is fifty-five years old, lives at 806 A street southeast. He served for fifteen years as a machinist in the navy and was retired for disability incurred in line of duty. He has a wife and two-sons, Joseph and Albert King, and one daughter, Miss Marie King.

acquaintance began at a time when Miss Rosseau had the stellar role in a play given by amateurs for charity. She was very popular then, and prominent in musical and theatrical circles, because of her ability to sing and act. At one time she was soloist in St. Michael and All Angels' Church.

Macy did not object to the fondness of his wife for the stage. After their marriage he removed his residence from Florida to Washington. Since that time she has often appeared in public, singing at the picture show theaters.

He said his wife had given him no warning or intimation of her intention to leave home.

### Free Rheumatism Cure

Home Cure Will Be Given FREE By One Who Had It. In the spring of 1892 I was attacked by Muscular and Inflammatory Rheumatiam. I suffered as only those who have it know, for over three years. I tried remedy after remedy, and doctor after doctor, but such relief as I received was only temporary. Finally, I found a remedy that cured me completely, and it has never returned. I have given it to a number who were terribly afflicted and even bedridden with Rheumatism, and it effected a cure in every case.

I will send a free trial of this precious remedy by mail, postpaid to any sufferer who writes for it. Just fill out the coupen below and mail it to me today.
